

BARILLA: A TRUSTED NAME SINCE 1877

With over 145 years of pasta expertise and global capabilities, Barilla is a trusted leader in pasta around the world and in a foodservice kitchen near you.

- Rates highest in "brand you can trust," among other categories*.
- Responsibly sourced from the finest durum wheat to produce superior semolina pasta.
- Proprietary milling process assures excellent cooking properties and durability.

* Kantar Brand Health Tracker, 2022

QUALITY YOU CAN DEPEND ON

Uniform in size, shape and signature color in every case.

During cooking, pasta will resist sticking, clumping together and breaking.

Stringent quality standards ensure authentic texture and "bite" as well as a pleasant taste and aroma.

VARIETY

Over 35 different pasta cuts broaden your offerings and meet a greater variety of tastes and nutritional needs.

Diverse product ranges include our Classic Semolina, Barilla Frozen, Whole Grain, Al Bronzo™, Legume, Gluten Free, and Protein+™ varieties.

BARILLA FOR PROFESSIONALS

Adding value and providing solutions for our operator partners in foodservice around the globe.

- Sustainable supply chains from field to fork
- Clean labels with non-GMO certification

Value-added products like Barilla Frozen® and Lasagne Chef to help operators achieve consistency and save valuable labor resources.

As a global brand, we're positioned to deliver consumer and market insights, culinary support and training, and marketing muscle.
